RE: Bel House Apartments
Miami Way Theatre

Dear Tony,

Thank you for what should be the successful resolution of the negotiations regarding the Bel House Apartments. I will review the lease/purchase agreement upon Steve's re-draft of the document, and will await any further advice.

As to the Miami Way Theatre, due to both my clients travel plans and mine, we respectfully request that any contract for purchase be placed on the July CRA agenda. My clients have assured you that the property will not be sold to any third party prior to the City/CRA making a decision to purchase. And in the event there is no regular meeting of the CRA in July, we will be happy to make ourselves available for a special meeting any evening but July 10th.

Again, thank you for all your cooperation.

Subject: Status Update and recommendation relative to the negotiation of the final terms of a lease/purchase agreement for the acquisition and rehabilitation of the Bel House Apartments pursuant to the CRA Board's approval of proposed terms on April 24, 2007

This memorandum serves to provide a status update and recommendation relative to the further negotiations that have taken place between the CRA and the owners of the Bel House Apartments on the terms of a proposed lease/purchase agreement for the acquisition and rehabilitation of the subject property by the CRA. Please be advised that following the CRA Board meeting on April 24, 2007 several additional negotiation sessions were held between the CRA and the owners in an effort to reach an agreement on final terms. During these discussions the specific terms and language included in a draft lease/purchase agreement prepared by the CRA Attorney were extensively reviewed. In addition, pursuant to the Board's discussion on April 24th and further due diligence by the CRA additional specific matters were discussed including those listed below.

- Revising the proposed lease/purchase period so that the CRA could exercise the available options to purchase prior to years 4, 5 or 6 as originally proposed.
- Provide the CRA with the ability to exercise the purchase option prior to year 3 based on available funding/financing and the mutual consent of the parties.
- Provide the CRA with a due diligence period of at least 90 days with the option to terminate the lease/purchase agreement based on unacceptable inspection results.
- Clarification of the appraisal terms and conditions to provide for the exclusion of any tenant (CRA) funded/paid improvements from the purchase option appraised property value.

- Owner's responsibility for code violations prior to the date of the lease/purchase agreement.
- Owner's responsibility for open building permits prior to the date of the lease/purchase agreement.
- The amount of the credit to be provided to the CRA from the owner's pending insurance claim for damages to the property.
- Tenant's maintenance requirements
- Assignment and Sublease provisions to provide for the CRA's ability to assign the lease/purchase agreement to a single asset entity that may be created to own the property.

In addition to the discussions that have been held to resolve these matters, the owners have raised an issue relative to the timing of lease/purchase payments and are additionally requesting that the lease/purchase agreement be **guaranteed** in the event the CRA's FY 2007-08 budget request for funding of the lease/purchase transaction is not approved by Miami-Dade County. Both of these issues are new in the discussions and are contrary to the prior proposed agreement with the CRA. As previously agreed, the owners had accepted the CRA's proposal to be responsible for any monthly lease/purchase payments during the balance of FY 2006-07 from the date of the execution of the agreement through September 30, 2007. It had been agreed that the CRA would accrue the obligation for such payments and would include in its FY 2007-08 budget request sufficient funds to be able to pay the accrued lease/purchase payments during FY 2006-07 and the 12 payments for FY 2007-08 during the period from October 2007 through September 2008. **This proposal is now unacceptable to the owners who now want to receive the monthly payments during FY 2006-07, as they are due. This issue is problematic due to the CRA's lack of funding authority to make any lease/purchase payments during FY 2006-07. In addition, to the FY 2006-07 payments, the owners want a back-up guarantee from the City of North Miami to assume full responsibility for the lease/purchase agreement in the event the CRA's FY 2007-08 budget request for the lease/purchase funding is not approved by Miami-Dade County.**

In an effort to address this new request relative to the guarantee of payments and the further guarantee of the proposed lease/purchase transaction by the City of North Miami a meeting was held between the CRA Executive Director, CRA Attorney and the City Manager. As the result of that discussion, the City Manager

expressed his support for a compromise position on the owner's guarantee request to assist the CRA with this lease/purchase transaction. The City Manager indicated that he could support and recommend to the City Council having the funds that may be needed for lease payments until such time as the CRA's FY 2007-08 budget is approved by the County advanced from the revenues due to the City from Biscayne Landing. Upon the approval of the CRA's budget, the CRA would repay the amount of the lease payment advances to Biscayne Landing. In this way, the owner's request to receive lease payments starting on the date of lease execution could be satisfied pending the CRA budget approval by the County. However, the City Manager indicated that he could not recommend that the City provide a guarantee for any lease payments should the County not approve the CRA's FY 2007-08 budget request, and could not recommend that the City guarantee the lease/purchase by assuming all of the obligations of the lease/purchase agreement in the event the CRA budget request is not approved.

The revised proposed lease/purchase agreement that is attached for your consideration includes the City Manager's recommendation for a guarantee of the lease payments that would be due from lease execution until a decision is made by the County on the CRA's FY 2007-08 budget request.

In addition to the proposed change relative to the limited lease payment guarantee from the City, please carefully note the following additional significant changes are included in the attached proposed lease/purchase agreement:

- The maximum term of the lease/purchase agreement has been reduced from six (6) years to five (5) years with the purchase being closed on or before June 30, 2012. In addition, the agreement provides the CRA with the ability to close on the purchase anytime prior to the end of the lease term with the mutual consent of the owner.
- The appraisal methodology to be used to determine the purchase price will be based on comparable sales only. In addition the methodology provides for the exclusion of any CRA funded/paid improvements from the purchase option appraised property value.

- The purchase price will be established by the appraisal methodology as indicated above with the provision that, if the lease/purchase agreement is approved by supermajority (e.g. 4 of 5) CRA Board members, the purchase shall be the appraised value as determined in accordance with the agreement plus ten percent (10%).
- The CRA will have a 90 day Due Diligence period starting on the lease commencement date. Relative to its due diligence, the CRA will have the right, for any reason or no reason, to elect (in its sole and absolute discretion) to terminate the lease/purchase agreement.

Background

Pursuant to prior favorable discussions regarding the possible acquisition of this property with the CRAAC and the CRA Board's acceptance on January 23, 2007 of the Executive Director's recommendation that the CRA seek to negotiate the proposed terms for the acquisition of the above referenced to facilitate the preservation of these sixty-five (65) existing affordable rental housing units within the boundaries of the CRA, the CRA staff has negotiated the terms of a proposed purchase agreement for consideration by the CRAAC and the CRA Board.

The Bel House Apartments consist of two buildings located on the east and west sides of NE 6th Avenue at 139th Street. Forty-five (45) units are located on the east side at 13925 NE 6th Avenue and the other twenty (20) units are located on the west side at 13990 NE 6th Avenue (see the attached property folio descriptions). Negotiations have taken place during the months of February and March pursuant to the property owners previously expressed interest in selling the units to the CRA through a lease/purchase agreement that would allow the acquisition to take place on financial terms favorable to the CRA with initial lease payments from the CRA until such time as the CRA has the financial ability to exercise a future purchase option. In addition, the terms would include arrangements for the possible financing of the rehabilitation of the units by the present owners to the standards required by the CRA.

The CRA considers the potential acquisition of these units to represent a unique opportunity inasmuch as the 45-unit building is presently vacant due roof damage that has been repaired and the building has already been substantially prepared for rehabilitation

pursuant to the requirements of a grant award from the City of North Miami in the amount of \$550,000. These acquired and rehabilitated rental units could serve as a housing resource for the CRA by serving as a temporary residence for homeowners or renters who could be displaced due to CRA funded rehabilitation work on other properties. Should the CRA be successful in the acquisition of these 65 units, it is anticipated that North Miami Housing, on behalf of the CRA, would implement the rehabilitation and management of the property.

During the course of the negotiations the CRA had an appraisal conducted in an effort to determine the current market value of the subject property (summary attached). Relative to the negotiations, please note that State law limits the purchase price that the CRA can pay for real property to the fair market value as determined by an appraisal plus 10%. Given the difference that currently exists between the owner's asking price and the appraised value, the proposed lease/purchase agreement provides an opportunity to preserve the housing units in the Bel House Apartments as quality affordable rental units through the efforts of the CRA. As the result of the discussions that have taken place the following table delineates the proposed terms of a lease/purchase agreement that are acceptable to both the property owner and the CRA.

Pursuant to the input of the CRAAC during its meeting on April 9, 2007 and a favorable motion in support, these proposed terms were presented to the CRA Board for consideration and were approved during the meeting on April 24, 2007.

Tenant further agrees to maintain any sign, billboard, marquee, awning, decoration, placard, lettering or advertising matter or other such Tenant installation of any kind as may be approved by Landlord in good condition and repair at all times. If any such sign is approved and installed, Tenant shall pay any and all taxes relating thereto and all illumination costs thereof, if any.

(e) Tenant shall execute and comply with all laws, including without limitation, the Americans with Disabilities Act of 1990 and all rules, regulations, orders, directions and requirements of all governmental departments, bodies, bureaus, agencies and officers, and with all reasonable rules, directors, requirements and recommendations of the local board of fire insurance rating organizations for the area in which the Premises are situated, pertaining to the Premises or the use and occupancy thereof. In the event Tenant shall fail or neglect to comply with any of the aforesaid laws, rules, regulations, orders, directions, requirements or recommendations, Landlord or its agents may enter the Premises and take all such action and do all such work in or to said Premises as may be necessary in order to comply with such laws, rules, regulations, and Tenant shall reimburse Landlord promptly upon demand for the expense incurred by Landlord in taking such action and performing such work. Tenant shall not do or suffer to be done, or keep or suffer to be kept anything in, upon or about the Premises which will contravene Landlord's policies insuring against loss or damage by fire or other hazards, including, but not limited to, public liability, or which will prevent Landlord from procuring such policies in companies reasonably acceptable to the Landlord; and if anything done, omitted to be done or suffered to be done by Tenant, or kept, or suffered by Tenant to be kept in, upon or about the Premises shall cause the cost of fire or other insurance on the Premises, in companies reasonably acceptable to Landlord, to be increased beyond the minimum from time to time applicable to the Premises for use for the purposes permitted under this Lease or applicable to such other property of Landlord for the use or uses made thereof, Tenant will pay the amount of such increase promptly upon Landlord's demand.

All contractors, artisans, mechanics and laborers and other persons supplying materials or labor or contracting with Tenant with respect to the Premises or any part thereof, or any party entitled to claim a construction lien under the laws of Florida (whether same shall proceed in law or in equity) are hereby charged with notice that they shall look solely to Tenant to secure payment of any amounts due for work done or material finished to Tenant relating to the Premises, or for any other purpose during the term of this Lease.

Subject to the provisions and monetary limitations of Section 768.28, Florida Statutes, as such may be amended from time to time to time, Tenant shall indemnify Landlord against any loss or expenses incurred as a result of the assertion of any such lien, and Tenant covenants and agrees to transfer any claimed or asserted lien to a bond or such other security as may be permitted by law within ten (10) days of the assertion of any such lien or claim of lien. In the event Tenant fails to transfer such lien to bond or other security within such ten (10) day period then, in addition to its other remedies specified in this Lease, Landlord shall have the right to discharge the lien or to transfer the lien claimed to bond or other security permitted by law and in any such event Tenant shall pay all costs so incurred by Landlord immediately, upon demand therefor. Tenant shall advise all person furnishing designs, labor, materials or services to the Premises in connection with Tenant's improvement(s) thereof of the provisions of this Section.

(a) At all times during the term hereof Tenant shall maintain in effect policies of casualty insurance covering trade fixtures, merchandise and other personal property from time to time in, on or upon the Premises, in an amount not less than one hundred percent (100%) of their actual replacement cost from time to time existing during the term of this Lease, providing protection against any peril included within the classification of "all risks." To the extent insurance is paid monthly by Landlord through an escrow account, Tenant shall include within its monthly rental payment an amount equal to the insurance escrow amount. The parties acknowledge and agree that Landlord, as the owner of the Premises, may need to obtain the casualty insurance. In such event, Landlord shall obtain the casualty insurance and Tenant shall pay for such insurance as set forth herein.

(b) Tenant shall at all times during the term hereof and at its own cost and expense procure and continue in force commercial general liability insurance covering the insured against bodily injury liability, property damage liability and contractual liability under this Lease for limits of liability not less than, (or for such amount as may be required by a financial institution or lender holding an interest in the "Premises"):

Bodily Injury	\$1,000,000.00	per person and
	\$2,000,000.00	per accident

Property Damage \$2,000,000.00 per occurrence

Said limits shall be adjusted from time to time during the term hereof, upon request by Landlord, to such higher limited, if nay, as in Landlord's judgment is customarily carried in the State of Florida with respect to similar properties or risks or by reasons of current experience. In addition, Tenant shall carry and maintain during the term hereof such other reasonable types of insurance and in such reasonable amounts covering the Premises and Tenant's operations therein, as may reasonably be requested by Landlord. Such insurance coverage may be provided by primary and umbrella policies in Tenant's discretion.

(c) Tenant shall at all times during the term hereof, and at its own cost and expense, procure and continue to keep in force workers' compensation and employer's liability insurance in such amounts and with such limits as required by the State of Florida or other applicable governmental authority and as is customarily carried in the State of Florida with respect to business similar in size and type of Tenant's business conducted upon the Premises.

(d) All insurance required to be carried by Tenant hereunder shall (i) name Landlord, and any other party the Landlord so specifies, as an additional insured and payee, including Landlord's managing agent and mortgagees, of any, (ii) specifically cover the liability assumed by Tenants under this Lease; (iii) be issued by an insurance company acceptable to Landlord and Landlord's lenders who have a lien upon the Premises and which is qualified to do business in the State of Florida; and (iv) be in form and content reasonably acceptable to Landlord. Certificates of insurance and copies of all policies evidencing the existence and amounts of such insurance shall be delivered to Landlord by Tenant prior to Tenant's occupancy of the Premises. No such policy shall be subject to cancellation or modification except after thirty (30) days written notice to Landlord (and Landlord's lender, if so requested by Landlord or Landlord's lender). Tenant shall furnish Landlord with renewals or "binders" of any such policy at least thirty (30) days prior to the expiration thereof. Tenant shall have the right to provide such insurance coverage pursuant to a "blanket policy" or policies obtained by the Tenant, provided such blanket policies expressly afford coverage to the Premises and to Tenant as required by this Lease.

(e) In the event Tenant shall fail to procure such insurance, or to deliver such policies as required pursuant to the terms of this Section 12, Landlord may, at its option, procure such policies for the account of Tenant, and the cost thereof shall be paid by Tenant to Landlord within five (5) days after delivery to Tenant of bills therefore and shall be considered Additional Rent. This paragraph shall not be deemed to be a waiver of any of Landlord's rights and remedies, under any other provision of this Lease.

(f) Throughout the term of this Lease, Tenant shall keep the building and any other permanent improvements located on the Premises insured under a standard form fire insurance policy with extended coverage endorsements.

(g) Landlord and Tenant intend that their respective property loss risks shall be borne by reasonable insurance carriers to the extent above provided, and Landlord and Tenant hereby agree to look first to, and seek recovery from, their respective insurance carriers in the event of a property loss to the extent that such coverage is agreed to be provided hereunder. The parties agree that their respective insurance policies are now, or shall be, endorsed such that the waiver of subrogation shall not affect the right of the insured to recover thereunder, so long as no material additional premium is charged therefore.

13. **Inspection and Access.** Tenant shall permit Landlord, its agents, employees and contractors to enter the Premises and all part thereof at all reasonable times to inspect the Premises, show the Premises to prospective purchasers or mortgagees of the Premises and to carry out any provision or provisions of this Lease.

14. **Expiration of Term.**

(a) If for any reason that Tenant fails to purchase the Premises at the end of the term, then, upon the expiration of this Lease, Tenant will quit and surrender the Premises without the necessity of any notice from either Landlord or Tenant to terminate the same, and Tenant hereby waives notice to vacate the Premises and agrees that Landlord shall be entitled to the benefit of all provisions of law respecting the summary recovery of possession of the Premises from Tenant holding over to the same extent as if statutory notice had been give. Tenant will quit and surrender the Premises in as good a state and condition as they were when entered into, reasonable use and wear thereof and damage by casualty caused by Landlord, shall be excepted. All alterations, additions, erections or improvements in or upon the Premises at the expiration or early termination of this Lease, which are not wanted by Landlord, except such furniture, fixtures and equipment which are Tenant's trade fixtures and equipment, shall be removed by Tenant at Tenant's sole cost and expense and Tenant shall repair all damage caused by such removal and return the Premises to the condition in which they were prior to the installation of the articles so removed. Any alterations, additions, erections or improvements which are wanted by Landlord, except as exempted above, shall remain as part of the Premises and shall be surrendered with the Premises at the expiration, or early termination of this Lease. Alternatively, and notwithstanding the above, Landlord shall retain the right to exercise the remedy of specific performance.

(b) If for any reason that Tenant fails to purchase the Premises at the end of the term and Tenant remains in possession of the Premises after the expiration of this Lease without the written permission of Landlord, and without the execution of a new lease, then Tenant shall be deemed occupying the Premises as a tenant from month-to-month, subject to all conditions, provisions and obligations of this Lease insofar as the same are applicable to a month-to-month tenancy. Rent shall be at the same annual rent as set forth herein, unless the parties to this Lease, by way of a separate writing, agree to a different annual rent.

(c) In the event the Tenant desires to remain in possession of the Premises after the called for lease expiration date, the parties hereby agree to negotiate in

good faith either to establish a written lease agreement extension or to enter into a new lease agreement. The parties acknowledge a present inability to establish a fair and reasonable rental rate for a date in the future in light of the relationship of the parties as it existed at the time of the execution of this Lease. Consistent therewith, the parties acknowledge a current and ongoing desire to negotiate with each other in the utmost of good faith.

15. **Casualty.**

(a) If the Premises shall be damaged by fire, the elements, unavoidable accident or other casualty, Tenant shall promptly at it's own expense cause such damage to be repaired, and this Lease and all Rent due hereunder shall be prorated based upon the tenantable portion of the Premises. The obligation of the Tenant to repair or reconstruct the Premises imposed by this Section shall extend only to the Premises in a the form and condition in which they were turned over to Tenant by Landlord including such equipment and appliances as were furnished by Landlord, and shall only be to the extent of the amount of insurance proceeds paid to Tenant.

(b) Any delays in the repair or reconstruction of the Premises arising from the adjustment of insurance against loss or from labor difficulties, shortage of material or any cause beyond the direct control of Landlord shall not entitle Tenant to any compensation nor amount to an actual or constructive eviction. This Subsection (b) shall apply not only in the event of the contingencies provided for by this Section but also in the event of any other repairs and improvements made to the Premises.

16. **Condemnation.** If the Landlord shall receive any notice that a whole or any part of the Premises shall be subject to the actions of a public authority under the power of eminent domain, then the Landlord shall immediately notify the Tenant of such notification so that the Tenant will have a full and fair opportunity to participate in any and all proceedings pertaining to the eminent domain action. The parties acknowledge that the term of this Lease as well as those payments of Monthly Rent and Additional Rent shall continue notwithstanding the eminent domain proceedings, or the taking in whole or of any part of the Premises. Each party shall be entitled to that portion of any eminent domain award specifically allocated to that party's interest in the Premises (i.e., Landlord with respect to the fee and Tenant with respect to the leasehold). Nothing herein shall prevent or otherwise limit Tenant from instituting proceedings on its own behalf with respect to any eminent domain proceedings.

If the whole or any part of the Premises shall be taken by a public authority under the power of eminent domain or should the whole or any of the Premises be subject to any proceeding by a public authority under the power of eminent domain such that the whole or any part of the Premises either is, may or shall be affected the Landlord and Tenant hereby agree, in due consideration of the mortgagor, to fully cooperate with each other for purposes of ensuring for the fair and equitable distribution of proceeds from the eminent domain proceedings and which may include a full or partial payment of said proceeds to the Landlord, a full or partial payment of said proceeds to the Tenant or an

agreement that the proceeds be held in an interest bearing trust account until the termination or conclusion of this Agreement.

17. **Default.**

(a) Any of the following events shall be deemed to be an event of default by Tenant under this Lease:

(i) Tenant shall fail to pay any installment of Rent or Additional Rent within three (3) days after Tenant's receipt of Landlord's notice of said failure.

(ii) Tenant shall fail to comply with any term, provision, covenant or warranty made under this Lease by Tenant, other than as described in Section 17(a)(i), above, and Tenant shall not cure such failure within thirty (30) days after Landlord's notice thereof to Tenant. In the event Tenant cannot comply with such term, provision, covenant or warranty within said thirty (30) day period, Tenant shall not be in default if Tenant is making a diligent effort to comply with such term, provision, covenant or warranty and Tenant reimburses Landlord for Landlord's reasonable out-of-pocket expenses resulting from Tenant's failure to comply with said provision, covenant or warranty within said thirty (30) day period and Tenant completes the cure of the default.

(iii) Tenant shall become insolvent, or shall make a transfer in fraud of creditors or shall make an assignment for the benefit of creditors.

(iv) Tenant shall file a petition under any chapter of the federal bankruptcy or insolvency or a similar proceeding; and such filing or proceeding shall not be dismissed within ninety (90) days.

(v) There shall be filed against Tenant an involuntary petition of bankruptcy or insolvency or a similar proceeding; and such filing or proceeding shall not be dismissed within ninety (90) days.

(vi) A receiver or trustee shall be appointed for the Premises or for all or substantially all of the assets of Tenant or any guarantor of this Lease.

(vii) Tenant vacates or abandons the Premises (it being expressly agreed that Tenant's failure to occupy the Premises for thirty (30) consecutive days without Landlord's prior approval shall be deemed an abandonment or vacation of the Premises).

(viii) Tenant's interest under this Lease being sold under execution or other legal process.

(ix) Tenant's interest under this Lease being modified or altered by any authorized assignment or subletting or by operation of law.

(x) Any of the goods or chattels of Tenant, used in, or incident to, the operation of Tenant's business in the Premises being seized, sequestered, or impounded by virtue of, or under authority of, any legal proceeding.

(xi) Tenant shall cease to exist.

(b) In the event of the occurrence of any of the events described in Section 17(a), Landlord, at its election, and in addition to all rights and remedies available at law or in equity including specific performance, may exercise one or more of the following options, the exercise of any of which shall not be deemed to preclude the exercise of any others herein listed or otherwise provided by statute or general law at the same time or at subsequent times or actions:

(i) Reenter and retake possession of the Premises and relet or attempt to relet the Premises on behalf of Tenant at such rent and under such terms and conditions as Landlord may deem best under the circumstances for the purpose of reducing Tenant's liability. Landlord shall not be deemed to have terminated this Lease or thereby accepted a surrender of the Premises, and Tenant shall remain liable for all Monthly Rent amounts, Additional Rent, or other sums due under this Lease and for all damages suffered by Landlord by reason of Tenant's breach of any of the covenants of the Lease.

(ii) Declare this Lease in writing to be terminated, ended and null and void, and reenter upon and take possession of the Premises, whereupon all right, title and interest of Tenant in the Premises shall end.

(iii) Accelerate and declare the entire remaining unpaid Monthly Rent and Additional Rent for the balance of the term of this Lease to be immediately due and payable forthwith, and may, at once, take legal action to recover and collect the present value of the same.

(c) If: (i) Tenant defaults in the making of any payment or in the doing of any act herein required to be made or done by Tenant; or (ii) Tenant defaults in the making of payment to any third party, or doing any act required to be made or done by Tenant for or on behalf of said third party relating to the Premises, then Landlord may, but shall not be required to, make such payment or do such act, and charge the amount of the expense thereof, if made or done by Landlord. Such payment shall constitute Additional Rent hereunder due and payable with the next monthly installment of Monthly Rent; but the making of such payment or the taking of such action by Landlord shall not operate to cure such default or to stop Landlord from the pursuit of any remedy to which Landlord would otherwise be entitled.

(d) No reentry or retaking possession of the Premises by Landlord shall be construed as an election on its part to terminate this Lease, unless a written notice of such intention be given to Tenant, nor shall pursuit of any remedy herein provided constitute a forfeiture or waiver of any Monthly Rent, Additional Rent or other monies due to Landlord hereunder or of any damages accruing to Landlord by reason of the violations of an of the terms, provisions and covenants herein contained. Landlord's acceptance of Monthly Rent or Additional Rent or other monies following any event of default hereunder shall not be construed as Landlord's waiver of such event of default. No forbearance by Landlord of action upon any violation or breach of any of the terms, provisions, and covenants herein contained. Forbearance by Landlord to enforce one, or more of the remedies herein provided upon an event of default shall not be deemed or construed to constitute a waiver of any other violation or default. Legal actions to recover for loss or damage that Landlord may suffer by reason of termination of this Lease or the deficiency from any reletting as provided for above shall include the expense of repossession or reletting, including brokerage commissions, and any repairs or remodeling undertaken by Landlord following repossession.

(e) THE PARTIES HERETO SHALL, AND THEY HEREBY DO, WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM BROUGHT BY EITHER OF THE PARTIES HERETO AGAINST THE OTHER ON ANY MATTERS WHATSOEVER ARISING OUT OF, OR IN ANY WAY CONNECTED WITH, THIS LEASE, THE BUILDING, AND/OR CLAIM OF INJURY OR DAMAGE. In the event Landlord commences any proceeding to enforce this Lease or the landlord/tenant relationship between the parties, or for nonpayment of Monthly Rent, Additional Rent or additional monies due Landlord from Tenant under this Lease, Tenant will not interpose any counterclaim of whatever nature or description in any such proceedings. In the event Tenant must, because of applicable court rules, interpose any counterclaim or other claim against Landlord in such proceedings, Landlord and Tenant covenant and agree that, in addition to any other lawful remedy of Landlord, upon motion of Landlord, such counterclaim or other claim asserted by Tenant shall be severed out of the proceedings instituted by Landlord (and, if necessary, transferred to a court of different jurisdiction), and the proceedings instituted by Landlord may proceed to final judgment separately and apart from and without consolidation with or reference to the status of each counterclaim or any other claim asserted by Tenant.

(f) In the event it shall become necessary (as determined by Landlord) for Landlord at any time to institute or defend any legal action or proceedings of any nature for the enforcement of, or as regards in this Lease, or any of the provisions hereof, or any of Landlord's statutory or common law rights as concern Tenant, or to employ an attorney therefor, Tenant agrees to pay all court costs and Attorneys' Fees (as defined in Section 34) and sales tax on such fees and costs, to the extent sales tax is applicable.

18. **Landlord Definition.** The term "Landlord" as used in this Lease means only the owner of fee simple title of the Premises, so that in the event of any sale, ground lease or other transfer of the Premises, Landlord shall be and hereby is entirely freed and relieved of all obligations of Landlord hereunder and it shall be deemed without further agreement between the parties and such purchaser(s), assignee(s) or lessee(s) that the

purchaser, assignee or lessee has assumed and agreed to observe and perform all obligations of Landlord hereunder.

Notwithstanding anything to the contrary provided in this Lease, it is specifically understood and agreed, such agreement being a primary consideration for the execution of this Lease by Landlord, that there shall be absolutely no personal liability on the part Landlord, its successors or assigns, with respect to any of the terms, covenants and conditions of this Lease, and there shall be absolutely no liability on the part of Landlord's directors or shareholders under this Lease.

19. **Remedies Cumulative.** Mention in this Lease of any specific right or remedy shall not preclude Landlord from exercising any other right or from having any other remedy or from maintaining any action to which it may be otherwise entitled either at law or in equity including, without limitation Landlord's remedies for Tenant's default in the payment of Rent. The failure of Landlord to insist in any one or more instances upon a strict performance of any covenant of Tenant under this Lease or to exercise any option or right herein contained shall not be construed as a waiver or relinquishment for the future of any such covenant, right or option, but it shall remain in full force and effect unless the contrary is expressly waived in writing by Landlord.

20. **Limit to Landlord's Liability and Indemnity**

(a) To the maximum extent permitted by law, Tenant agrees to use and occupy the Premises at its own risk, and hereby (for itself and all persons claiming under, by or through Tenant) releases Landlord, its agents, servants, contractors and employees, from any and all claims, costs, fines, losses, suits, actions, liabilities, damages and expense whatsoever (including all Attorneys' Fees), interest, penalties, causes of action and expenses and demands of every kind resulting from any accident, damage or injury occurring therein, unless due solely to Landlord's negligence as determined by a court having jurisdiction over such matter. Tenant expressly covenants and agrees that Landlord shall not be responsible or liable to Tenant for any loss of, or damage or injury to, inventory, fixtures, improvements, materials or any other property of Tenant, or for defects in workmanship or for improper design or construction of any alternations or improvements approved by Landlord, or for any other loss or damage from any source whatsoever, unless and only to the extent such injury, loss, or damage is solely to Landlord's gross negligence. Anything in this Section to the contrary notwithstanding, Landlord shall have no liability whatsoever for any loss, injury or damages suffered by Tenant to extent such loss, injury or damage may be covered by applicable insurance policies, nor shall Landlord have any liability whatsoever for consequential damages suffered by Tenant. All personal property which may be upon the Premises during the term hereof shall be at and upon the sole risk and responsibility of Tenant.

(b) Subject to the provisions and monetary limitations of Section 768.28, Florida Statutes, as such may be amended from time to time to time, Tenant hereby agrees to defend, indemnify, and hold Landlord harmless from and against any cost, damage, claim, liability, or expense (including Attorneys' Fees) incurred by or claimed against Landlord, directly or indirectly, which is occasioned by or results from (i) any default by Tenant under this Lease, (ii) any act, omission, fault, negligence, or

misconduct on the part of Tenant, its agent, employees, contractors, invitees, licensees, customers, clients, family members or guests, or any other person entering the Premises under the express or implied invitation of Tenant, or (iii) Tenant's use and occupancy of the Premises or conduct of Tenant's business. Any such cost, damage claim, liability, or expense incurred by Landlord for which Tenant is obligated to reimburse Landlord shall be deemed Additional Rent due and payable within ten (10) days of Landlord's written demand therefor. It is expressly understood and agreed that Tenant's liability under this Lease extends to the acts, and omissions of any subtenant and any agent, employee, contractor, invitee, licensee, customer, client, family member and guest of any subtenant.

(c) The terms and provisions of this Section 20 shall survive termination or expiration of this Lease.

21. **Recording.** It is agreed that Tenant shall not record this Lease and/or its Exhibits without first obtaining written permission from Landlord, which permission may not be unreasonably withheld. Any violation of this clause shall be deemed a default on the part of Tenant, and Landlord at his option reserves the right to cancel this Lease and take those steps necessary to remove the Lease and/or its Exhibits from record. In the event of any action on the part of Landlord, Tenant agrees to bear any and all costs and expenses in connection with same. In the event it is a requirement of Landlord's mortgagee that this Lease be recorded, Landlord agrees to bear such recordation charges.

22. **Notices.** All notices required to be given to Tenant hereunder shall be sent, with receipt therefor, by certified mail, hand delivery, Federal Express, Express Mail or similar overnight courier to Tony E. Crapp, Sr., Executive Director, North Miami Community Redevelopment Agency, 615 N.E. 124th Street, North Miami, Florida 33161 with a copy to Steven W. Zelkowitz, Esq., GrayRobinson, P.A., 401 East Las Olas Boulevard, Suite 1850, Fort Lauderdale, Florida 33301, or to any other address as Tenant may direct from time to time by written notice forwarded to Landlord by certified mail.

24. **Assignment and Sublease.**

(a) Tenant shall not assign this Lease in whole or in part, not sublet all or any part of the Premises, without the prior written consent of Landlord in each instance

which consent shall not be unreasonably, withheld, delayed or conditioned; provided, however, Tenant may assign this Lease without Landlord's consent to an entity created by Tenant for the sole purpose of performing as Tenant under this Lease. The consent by Landlord or any assignment or subletting shall not constitute a waiver of the necessity for such consent to any subsequent assignment or subletting. Notwithstanding any assignment or sublease, Tenant shall remain fully liable on this Lease and shall not be released from performing any of the terms, covenants and conditions of this Lease.

(b) In the event that Tenant shall be a corporation, any transfer, sale, pledge or other disposition of the majority shares of corporate stock of Tenant which would result in a change in the present effective control of Tenant by the person or persons owning a majority of said corporate shares of stock at the date of this Lease shall be deemed an assignment of this Lease, and therefore, prohibited without the express written consent of Landlord. Furthermore, in the event that Tenant proceeds with any such transfer, sale, pledge, or other disposition as aforementioned without Landlord's consent, then such action on the part of Tenant shall be deemed a default hereunder, and Landlord reserves the right to terminate this Lease at any time after such change in control by giving Tenant written notice.

(c) Landlord's consent to any assignment shall be conditioned upon the requirements that the proposed assignee shall have the same financial net worth and reputation as Tenant and that the proposed assignee shall expressly assume all of Tenant's obligations hereunder. Landlord's consent to any sublease shall be conditioned upon the requirement that the sublease shall state (i) that it is subject to all of the provisions of this Lease, and (ii) that the sublessee's rights shall not survive the earlier termination of this Lease, whether by voluntary cancellation between Landlord and Tenant, or otherwise.

(d) In the event of the transfer and assignment by Landlord of its interest in this Lease and the Premises, Landlord shall thereby be released from any obligations accruing hereunder as of and after the date of such transfer, and Tenant agrees to atom to the successor in interest of Landlord following any such transfer of such interest either voluntarily or by operation of law, to recognize such successor as Landlord under this Lease, and look solely to such successor in interest of Landlord for the performance of such obligations. Landlord shall remain liable for any obligations of Landlord hereunder accruing prior to the date of the transfer of the Premises by Landlord. Any security given by Tenant to secure the performance of Tenant's obligations hereunder may be assigned and transferred by Landlord to it successor in interest, and Landlord shall thereby be discharged of any further obligation relating thereto.

25. **Radon Gas.** The following disclosure is herby made by Landlord to Tenant as required by Florida law: Radon is naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed Federal and State guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your County Public Health Unit.

26. **Hazardous Substances.**

(a) As a material inducement to Landlord to execute this Lease, Tenant covenants and warrants that Tenant and Tenant's use of the Premises will at all times comply with and conform to all Environmental Laws (as hereinafter defined), and that Tenant shall not introduce any Waste (as hereinafter defined) to the Premises without Landlord's prior written consent. If Landlord consents to the introduction of any Waste to the Premises, Tenant's Handling (as hereinafter defined) of such Waste shall at all times comply with all Environmental Laws and Tenant shall also comply with any rules and regulations Landlord may impose from time to time regarding the Handling of such Waste. Tenant shall obtain and maintain all permits, licenses and authorization necessary for its use of the Premises in compliance with all applicable laws including any Environmental Laws. Environmental Law shall mean all federal, state or local laws, regulations, ordinances, rules, judgments, orders, decrees, permits, or other restriction relating to the environment, environmental, or health and safety, or effects from or the use, treatment, storage, manufacture, processing, distribution, transport, placement, handling, discharge, release, emission, generation, production, disposal, release or threatened release (collectively, "Handling") of pollutants, contaminants, chemicals, or industrial, toxic or hazardous substances, materials or wastes into the environment. "Waste" shall mean any contaminant, pollutant, chemical, waste, petroleum product, radioactive waste, poly-chlorinated biphenyl, asbestos, hazardous or toxic, substance, material or waste of any kind, including, without limitation, any substance regulated by any Environmental Law.

Such Remediation shall be completed to the satisfaction of Landlord and in compliance with Environmental Laws and procedures of all governmental agencies having jurisdiction over the Premises. Prior to submission, Tenant shall provide Landlord with copies of any reports, plans, data, analyses, and proposals to be submitted to such regulatory agency. Notwithstanding the above, Landlord shall have the right but not the obligation to enter onto the Premises and to take such other actions as it deems necessary or advisable to conduct Remediation, or to otherwise deal with any Non-Compliance which, in the sole opinion of the Landlord, could result in action against Tenant or Landlord. All reasonable costs and expenses incurred by Landlord in the exercise of any such rights shall be payable to Tenant on demand, shall be deemed Additional Rent hereunder, and subject to the indemnification provisions of Section 26 below.

(c) Tenant hereby agrees that it will indemnify, defend, save and hold harmless Landlord against and from, and to reimburse the Landlord with respect to, any

and all losses, injuries, liabilities, damages, interest, deficiencies, fines, penalties, costs and expenses, and reasonable Attorneys' Fees and disbursements, including without limitation, claims, suits and proceedings by federal, state, county and local governmental authorities or private parties (collectively, "Losses") incurred by or asserted against the Landlord by reason or arising out of (a) any Non-Compliance hereunder; or (b) the Handling of any Waste by Tenant or any subtenant, licensee, concessionaire, manager, or other party occupying, using or affecting the Premises as a result of or in connection with Tenant's operations on the Premises.

(d) Notwithstanding anything in this Lease to the contrary, the covenants, representations, warranties, indemnities and undertakings of Tenant and Landlord set forth in this Section 26 shall survive the expiration or termination of this Lease regardless of the method of expiration or termination of the Lease.

27. **Brokers**. Each of Landlord and Tenant represents to the other that it has not dealt with any real estate or other broker or agent in connection with the execution or grant of this Lease other than –NONE- ("Broker"). Each of the parties shall indemnify and hold the other party harmless from any claims by any other brokers for a commission or other compensation arising or claimed as a result of any acts of the indemnifying party in connection with this Lease.

28. **Lien on Personal Property**.

(a) This Lease shall also constitute a security agreement under the Uniform Commercial Code of the State of Florida. None of the goods, wares, merchandise, inventory, furniture, fixtures, machinery equipment or other personal property of Tenant situated on the Premises shall be removed from the Premises without the prior written consent of Landlord unless all Rent and all other charges and sums then due to Landlord shall first have been paid and discharged in full, and Tenant is not otherwise in default of any of its covenants and obligations under this Lease.

29. **Pronouns**. All pronouns and all variations thereof shall be deemed to refer to the masculine, feminine or neuter, singular or plural, as the identity of the person or persons or entity may require.

30. **Counterparts**. This Lease may be executed in counterparts each of which constitutes an original and all of which taken together shall constitute one agreement.

31. **Governing Law**. This Lease is to be construed under the laws of the State of Florida. Should any provisions of this Lease and/or of its conditions be illegal or unenforceable under any court decision or any laws, ordinances or regulations of any governing authority having jurisdiction over the parties hereto or the Premise, it or they shall be considered severable, and all other provisions of the Lease shall remain in full force and be binding upon the parties as though the illegal or unenforceable provisions had never been included.

32. **Section Headings.** The section headings of this Lease are for convenience only and shall not be considered in the interpretation of the terms and provisions of this Lease.

33. **Riders.** This Lease is subject to any Rider attached hereto and made a part hereof.

34. **Attorneys Fees.** The term “Attorneys’ Fees” as used herein shall mean all reasonable attorneys’ and paralegals’ fees, whether incurred in court, out of court, on appeal or in any bankruptcy or administrative proceeding.

35. **Mortgagee Protection.** In the event that a mortgagee or potential mortgagee of the Premises requests modifications to this Lease, Tenant agrees to consent to all such modifications of the Lease, provided that none of the modifications change the Monthly Rent due hereunder. To the extent that the Landlord desires to renegotiate the terms of the existing mortgage or decides to pursue refinance opportunities during the term of the Lease Agreement, the Tenant agrees to cooperate with the Landlord, to the extent that the Tenant’s cooperation is required for the providing of documentation to allow for the Landlord to renegotiate the mortgage or to refinance the mortgage. The parties acknowledge that as a result of a change in circumstances or other factors following the execution of this Lease Agreement, future events may lead to an agreement by the parties whereby the Tenant does not exercise its option to purchase the property prior to the maturity date of that mortgage currently securing the property. To the extent that the parties agree to extend the period or periods under which the Tenant may purchase the property, such that the Landlord pursues refinance opportunities to extend a mortgage maturity date, and considering that such refinancing opportunities may result in modifications that would affect the Monthly Rent hereunder, the Landlord shall provide not less than sixty (60) days notice to the Tenant of any anticipated increase in the Monthly Rent due hereunder. The parties are otherwise afforded the opportunity, within that sixty (60) day period, to otherwise negotiate an amendment to the then existing Lease Agreement to take into consideration any potential change in the Monthly Rent due hereunder.

Tenant agrees that in the event of any default by Landlord in any of the terms and conditions of this Lease, that Tenant shall notify any mortgagee holding a mortgage on the Premises (provided any such mortgagee furnishes Tenant notice in writing of (i) any such mortgagee’s lien on the Premises, and (ii) any such mortgagee’s address for such notice purposes of any such default by Landlord) and any such mortgagee shall have a period of thirty (30) days after receipt of such notice from Tenant to cure any default. When, however, the nature of the default of Landlord is such that it cannot be cured within said thirty (30) days, any such mortgagee shall have such additional time as may be reasonably required to cure any such default, provided any such mortgagee (i) shall have commenced to cure any such default within said thirty (30) day period, and (ii) shall diligently continue such steps until such default is cured. No alleged default by Landlord shall be deemed perfected until the expiration of the time(s) given to the mortgagee under the provisions of this Section.

36. **Entire Agreement.** The submission of this Lease for examination does not constitute a reservation of, or option for, the Premises, and this Lease shall become effective only upon execution by all parties hereto and delivery thereof by Landlord to Tenant. Tenant hereby expressly acknowledges that Landlord or Landlord's employees or agents have made no representations, warranties, inducements or promises with respect to the Premises except as herein expressly set forth.

Subject: Continued Discussion of CRA FY 2007-08 Budget
Priorities for Projects, Programs and Initiatives

Attached for your information and review please find a table entitled NMCRA FY 2007-08 Budget Priorities and Revenue/Expense Re-Cap. The table reflects the CRA's revenues and expenditures as per the FY 2005-06 Amended Budget as well as the current FY 2006-07 Adopted Budget. In addition, the table includes the CRA's budgeted allocations for projects, programs and initiatives.

It was previously requested that the members of the CRA Board review the information in the table with particular attention to column number 4 entitled Preliminary FY 2007-08 Budget regarding allocations for CRA projects, programs and initiatives for discussion during the Board meeting on May 23, 2007. This discussion was deferred to the upcoming meeting on June 26, 2007. To facilitate the continued discussion of the CRA's budget priorities for FY 2007-08, it is requested that CRA Board members come to the meeting having completed the priority ranking of the various projects, programs and initiatives that are listed for funding consideration in column number 4 on page 1 of the attached table. Please rank the indicated priority items 1-14 in an order of preference by using the number 1 for the highest ranked priority.

Attached for your information please find a table entitled **NMCRA FY 2007-08 Budget Priorities Summary** which reflects the compilation of the priority rankings provided by members of the CRAAC as of its last meeting on June 4, 2007. In addition to the ranking of the 14 proposed priorities the CRAAC members also suggested that consideration be given to allocating funds to support organizations that promote commerce as an additional component of the CRA's Economic Development Assistance and Incentive Fund, and to allocating funds for infrastructure.

Dear Sir/Madam:

This letter is being sent to confirm the receipt of your Registration Form that was submitted to the Housing Partnership of North Miami during the registration period from April 9, 2007 – May 8, 2007 in application for assistance through the affordable housing programs of the North Miami CRA. This letter also serves to provide you with an update regarding that status of your registration for assistance and to indicate a projected timeline for the delivery of assistance to address the need(s) you indicated on your registration form. Please note that during the open registration period approximately 713 registration forms were submitted expressing interest in the CRA's affordable housing programs.

Please be advised that, in accordance with its contract with the CRA, the Housing Partnership of North Miami (HPNM) is in the process of scheduling follow-up appointments with all registrants that indicated an interest in either **First-Time Home Purchase Assistance** and/or **Purchasing a Unit in Pioneer Gardens at North Miami**. The follow-up appointments are being scheduled in the order in which the registration forms were received. Please note that the HPNM is processing approximately 537 requests for First-Time Home Purchase Assistance and approximately 168 requests for assistance in Purchasing a Unit in Pioneer Gardens at North Miami. per a priority status approved by the CRA Board. Please note that it is anticipated that we will begin to contact the priority group of 54 applicants for assistance by approximately September of this year. As the result, subject to the availability of funds, we do not expect to begin the process of contacting the approximately additional 129 registrants with requests for assistance that were received during the open registration period until sometime toward the spring/summer of 2008. In the meantime, should you have any questions regarding the status of your request for single-family rehabilitation assistance please contact the CRA office at 305-899-0272.

Please note that if your registration form indicated an interest in **Affordable Rental Housing**, the CRA is currently and will continue in the future to pursue opportunities to preserve and assist in maintaining the availability of affordable rental housing units within the CRA boundaries. As the CRA may be successful in these efforts your request for assistance will be reviewed in the order in which your form was received. Please be advised that we do not expect to begin the process of contacting the approximately 173 registrants with requests for affordable rental housing assistance until sometime in early 2008. In the meantime, should you have any questions regarding the status of your request for affordable rental housing assistance please contact the CRA office at 305-899-0272.

Thank you for participating in our recent open registration process and we look forward to the opportunity to serve your need(s).
